First Method to Attract More Money	
Step 1	Take a cash note. If possible, take a bigger denomination.
Step 2	Take Money Crystals, hold in non-dominant hand, draw the power symbol and rotate your other hand coned fingers over it anti-clockwise and say CLEANSE CLEANSE CLEANSE. Program it with any Money Affirmation or you can use this one: I place no limits on the amount of money I can receive.
Step 3	Fold your cash and hold in non-dominant hand. Place crystals over it. Draw Reiki symbols as well as any abundance symbols you know.
Step 4	Give Reiki to this cash and crystal with money affirmation or use this: I place no limits on the amount of money I can receive.
Step 5	Put this cash in an envelope or box. If you select envelope, place your crystals on top of the envelope. If you select a box, place these crystals inside the box.
Step 6	During next 3 months whenever you come across any unexpected money or anything that symbolizes money, put it in this envelope or box.
Second Method to Attract More Money	
Step 1	On a piece of paper draw the power symbol on 4 corners of the paper, sealing the energy.
Step 2	Write your intention very clearly: I need \$1000 to pay mortgage or I need \$500 to pay insurance dues.
Step 3	Draw Reiki and abundance symbols on back side of the paper. Give Reiki to it for about 10 minutes.
Step 4	Carry this paper wherever you go throughout the day. Read your intention few times whenever you get time.
Step 5	At night, call upon Angels and Universal energy to manifest your needful desire.
Step 6	Repeat this for minimum 10 days or until manifestation.
